Copy Work & Notebooking
eBook Series for ALL Ages!

by Sheri Graham

Introduction

After completion of my ebook, Create Your Own Learning Portfolio on Any Subject: A Re-Usable Notebooking Resource for the Whole Family!, I decided to begin a series of "Copy Work & Notebooking eBook Series for ALL Ages" on different topics.

Each of these ebooks will focus on a specific topic of study, providing text for copy work (in both print and cursive-ready to copy), copy work pages (in three versions for beginning writers, younger, and older students) with related graphics for the student to use for their copy work, as well as helpful websites related to the topic. These copy work and notebooking ebooks will also contain a few pages from my Create Your Own Learning Portfolio ebook. However, this series of "Copy Work & Notebooking eBooks" is intended to be used alongside of the Create Your Own Learning Portfolio ebook, which includes many, many ready-to-use notebooking pages. I would encourage you to get a copy of this ebook if you don't have one! It is an invaluable resource that will only enhance your topical studies!

How to Use This eBook:

I will highlight below the content of this ebook, along with suggestions on how you can use the pages.

SECTION 1 contains the copy work content pages:

- print version
- cursive version
- plain text version

You can simply print out these pages and have your child put them into their notebook to use when they are doing their copy work. I have included the whole Bible text for the Creation story. If this is too much writing for your child, simply use a highlighter to highlight what text you want them to copy. Please

note that section two will include pages for the beginning writer, where the student can trace the text and then copy it if they wish.

SECTION 2 contains the copywork pages:

FOR BEGINNING WRITERS:

Broken lined paper version with text to trace & graphic

Broken lined paper version with text to trace & drawing box (no graphic)

FOR YOUNGER STUDENTS:

FOR OLDER STUDENTS:

Please note: If students need additional room for their copywork, extra blank pages (for all the different levels) are provided in Section 3 of this ebook. Just print as many extra pages as you need.

SECTION 3 contains some extra notebooking pages from my Create Your Own Learning Portfolio ebook. Again, purchase the Create Your Own Learning Portfolio ebook for many, many more ready-to-use notebooking pages!

SECTION 4 contains websites that relate to the topic of study.

I have tried to be very selective in choosing the websites I list in this section. However, please use discernment when browsing ANY website!

Well...are you ready to begin? I hope you enjoy this little ebook on the Days of Creation! May the Lord bless you and your family as you strive to live out the Lord's challenge to parents in Deuteronomy 6:7.

And the evening and the morning were the second day.

Day 7

Thus the heavens and the earth were finished, and all the host of them. And on the seventh day God ended his work which he had made; and he rested on the seventh day from all his work which he had made.
